On 11 August 2017, Kubera Mauritius entered into a share purchase and loan assignment agreement with Jamy LLC, a private buyer, for the disposal of its entire equity and debt interests in Synergies Casting Limited for an aggregate consideration of USD 16 million (USD 14.58 million excluding former Manager’s co-investment).

The consideration is paid to Kubera Mauritius in four tranches over an 18-month period. The first tranche of USD 2.8 million was received on 10 August 2017 which includes USD 1.80 million towards the first tranche sale and USD 1 million as advance sale consideration. All the events and formalities with respect to the sale and transfer of the first tranche of shares were completed prior to 31 December 2017. As at the date of this report, USD 2.95 million of the second tranche of USD 3.60 million has been received.

The agreement states that the consideration will be reduced by up to USD 2 million to equal USD 14 million (USD 12.76 million excluding former Manager’s co-investment) where the payment of purchase consideration is completed in 12 months. Kubera Mauritius has considered the reduced purchase consideration for the fair valuation of the investment.

NeoPath Limited

Company Overview

NeoPath Limited (“Neopath”) is a holding company which is expected, in due course, to receive a withholding tax refund following the sale of a credit card transactions processing business in India in 2010. Kubera Mauritius’ 46.95% interest in NeoPath is ultimately held through a wholly owned subsidiary, New Wave Holdings Limited.

Investment Summary

- **NAV/Share:** USD 0.04
- **Current Value:** USD 4.17 million which is the realisation value discounted to reflect the time value of money, lack of liquidity and credit risks.
- **Realisation:** The pending estimated tax receipt of USD 5.40 million.

Financial Updates

- Kubera Mauritius exited from the business in 2010 and distributed USD 0.33 per share to investors from realized cash flows.
- The acquirer of the business deducted withholding tax of USD 15.96 million of which USD 5.40 million is attributable to Kubera Mauritius, which was deposited with the tax authority in India. NeoPath is in the process of claiming a refund of the withholding tax based on its position that the capital gain realized on the sale is exempt from tax in India under the relevant provisions of the India-Mauritius double taxation treaty. Consequently, based on the opinion of tax counsel, the entire amount of USD 15.96 million is considered to be fully recoverable by Neopath. The present value of the estimated tax refund has been included in the fair value estimate of the Kubera Mauritius’ investment in NeoPath as at 31 March 2018. The timing of the finalization and receipt of the tax refund remains uncertain though Kubera Mauritius’ legal advisers expect that the formal hearing of the matter should take place in 2018, with a final decision on the case by late 2019.
